Your hot tub is our only concern!

Our FixMyHotTub.ca technicians are hot tub specialists – it's all they do. Been dreaming about that new hot tub you saw at the big box store? Need your existing one moved or fixed? Then you've come to the right place! Fix My Hot Tub has been installing and servicing hot tubs in Southern Ontario for more than 10 years. They are the ultimate hot tub specialists!

Think of us as doctors for your hot tub

Fix My Hot Tub delivers and heals spas. Whether we're delivering and setting up your beautiful new hot tub or helping your sick spa feel better, our specialists will come out with their spa doctor's bags in-hand and give your hot tub the right diagnoses, prescription and treatment! Factory trained and fully equipped, our technicians are prepared to service virtually any hot tub make and model, including yours. To ensure that our hot tub knowledge and procedures are always up-to-date, our technicians receive continuous training. You never have to worry when the Fix My Hot Tub professionals are on the job!

Convenience coupled with quick response

FixMyHotTub.ca to the rescue! Your spa has given you hours of fun, relaxation and relief from muscle pain. When it comes time for a check-up or repair, you want the best for it. Keep your hot tub healthy and in prime working order by scheduling a service visit. You can call us toll-free at 1-855-349-8827. If you prefer, you can book a technician online. It's quick and easy. Just fill out the form on the Schedule Service page of our website. We'll take care of it fast. Ever have a hot tub emergency? When you call us, help is on the way in record time! Fix My Hot Tub vehicles are equipped with GPS tracking and laptop computers with a real-time feed. Your call for help is announced immediately after it is received. Fast relief can be yours with a single phone call to our quick response line: 1-855-349-8827.

All this and you save money, too!

It just doesn't get any better than this. Not only do you get outstanding service but you'll really save time and money with Fix My Hot Tub, too. Our spa technicians carry a large, fully stocked inventory of parts in their vehicles at all times. Why wait for a part order and a second visit when everything can be taken care of in one trip?
